

PROVEN TO LAST IN THE HARSHTEST ENVIRONMENTS

Ayers Rock, Uluru, Australia

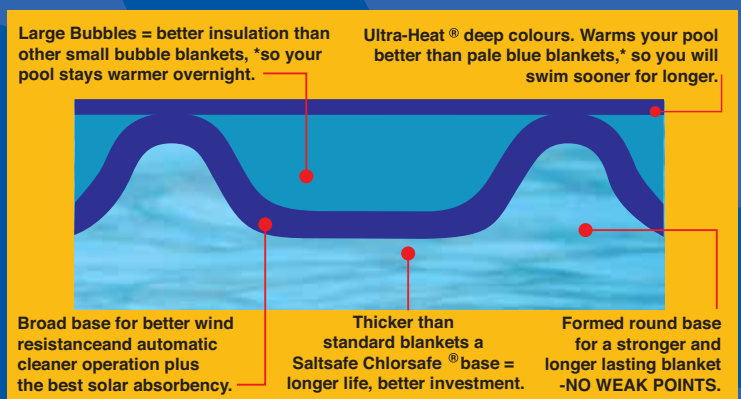

With over 20 years proven history in the world's harshest pool cover environments such as Australia, the Middle East, Mexico, Turkey and the Canary Islands, just to name a few, **Elite Pool Covers** continues to outperform and outlast other pool covers on the market.

Elite's range of high quality pool covers have been designed and manufactured to the highest standards using only the very best UV'chlor safe inhibitors and plastics available.

Today the **Elite** name says it all, it stands for quality, performance and longevity while setting new standards for pool covers...

WHAT MAKES ELITE POOL BLANKETS BETTER!

ELITE POOL COVERS
Around Australia,
around the world.
